**RESOLUTION OF AGENCY**  
**PURSUANT TO SECTION 87c OF ACT 206**

The following resolution was offered by Commissioner Altman and seconded by Commissioner Chappa.

WHEREAS, the Board of Commissioners of this County has heretofore adopted a resolution establishing the Presque Isle County Delinquent Tax Revolving Fund, pursuant to Section 87b of Act No. 206, Public Acts of Michigan, 1893, as amended ("Act 206"); and

WHEREAS, this Fund has been designated as the 100% Tax Payment Fund (the "Fund") by the County Treasurer; and

WHEREAS, pursuant to Act 206, upon creation of the Fund the County Treasurer is to act as agent for the County to administer the Fund; and

WHEREAS, the Board of Commissioners of the County has adopted a Resolution to Borrow Against Anticipated Delinquent 2018 Real Property Taxes to continue the Fund for 2019.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE COUNTY OF PRESQUE ISLE, STATE OF MICHIGAN, as follows:

1. Pursuant to Section 87c of Act 206, the County Treasurer’s office shall receive for delinquent tax administrative expenses in connection with the Fund and the issuance of General Obligation Limited Tax Notes, Series 2019 by the County such sums as are provided by law.

2. As agent for the County, the County Treasurer shall act pursuant to Act 206 and as further provided in the Resolution to Borrow Against Anticipated Delinquent 2018 Real Property Taxes heretofore adopted by the County Board of Commissioners.

After discussion, the vote was:

Ayes: Chappa, Shutes, Gapczynski, Darga, Altman

Motion carried by roll call vote.
A sufficient majority having voted therefor, the Resolution of Agency Pursuant to Section 87c of Act 206 was adopted.

RESOLUTION TO BORROW AGAINST ANTICIPATED DELINQUENT 2018 REAL PROPERTY TAXES

Commissioner Darga offered the following resolution and moved its adoption. The motion was seconded by Commissioner Altman.

WHEREAS, the Board of Commissioners of the County of Presque Isle (the "County") has heretofore adopted a resolution establishing the Presque Isle County Delinquent Tax Revolving Fund (the "Fund") pursuant to Section 87b of Act No. 206, Public Acts of Michigan, 1893, as amended ("Act 206"); and

WHEREAS, the purpose of the Fund is to allow the Presque Isle County Treasurer (the "County Treasurer") to pay from the Fund any or all delinquent real property taxes that are due and payable to the County, the State of Michigan and any school district, intermediate school district, community college district, city, township, special assessment district or other political unit for which delinquent tax payments are due; and

WHEREAS, it is hereby determined to be necessary for the County to borrow money and issue its notes for the purposes authorized by Act 206, particularly Sections 87c, 87d and 87g thereof; and

WHEREAS, it is estimated that the total amount of unpaid 2018 delinquent real property taxes (the "delinquent taxes") outstanding on March 1, 2019, will be approximately $__________, exclusive of interest, fees and penalties.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the County of Presque Isle, State of Michigan, as follows:

Authorization of Borrowing

1. Pursuant to and in accordance with the provisions of Act 206, Public Acts of Michigan, 1893, as amended, and especially Sections 87c, 87d and 87g thereof, the County shall borrow the sum of not to exceed _Two Million_ Dollars ($2,000,000.00) and issue its notes (the "notes") therefor for the purpose of continuing the Fund for the 2018 tax year. The exact amount to be borrowed shall not exceed the amount of delinquent taxes outstanding on March 1, 2019, exclusive of interest, fees and penalties. The County Treasurer shall designate the exact amount to be borrowed after the amount of the 2018 delinquent taxes outstanding on March 1, 2019, or the portion of the 2018 delinquent taxes against which the County shall borrow, has been determined.

Note Details
2. Pursuant to provisions of applicable law and an order of the County Treasurer, which order is hereby authorized, the notes may be issued in one or more series; shall be known as "General Obligation Limited Tax Notes, Series 2019" with a letter designation added thereto if the notes are issued in more than one series; shall be in fully registered form in denominations not exceeding the aggregate principal amounts for each maturity of the notes; shall be sold for not less than 98% of the face amount of the notes; shall bear interest at fixed or variable rates not to exceed the maximum interest rate permitted by applicable law; shall be dated, payable as to interest and in principal amounts, be subject to redemption in whole or in part prior to maturity, including any redemption premiums, and be subject to renewal, at such times and in such amounts, all as shall be designated in the order of the County Treasurer. Notes or portions of notes called for redemption shall not bear interest after the redemption date, provided funds are on hand with the note registrar and paying agent to redeem the same. Notice of redemption shall be given in the manner prescribed by the County Treasurer, including the number of days' notice of redemption and whether such notice shall be written or published, or both. If any notes of any series are to bear interest at a variable rate or rates, the County Treasurer is hereby further authorized to establish by order, and in accordance with law, a means by which interest on such notes may be set, reset or calculated prior to maturity, provided that such rate or rates shall at no time be in excess of the maximum interest rate permitted by applicable law. Such rates may be established by reference to the minimum rate that would be necessary to sell the notes at par; by a formula that is determined with respect to an index or indices of municipal obligations, reported prices or yields on obligations of the United States or the prime rate or rates of a bank or banks selected by the County Treasurer; or by any other method selected by the County Treasurer.

Payment of Principal and Interest

3. The principal of and interest on the notes shall be payable in lawful money of the United States from such funds and accounts as provided herein. Principal shall be payable upon presentation and surrender of the notes to the note registrar and paying agent when and as the same shall become due, whether at maturity or earlier redemption. Interest shall be paid to the owner shown as the registered owner on the registration books at the close of business on such date prior to the date such interest payment is due, as is provided in the order of the County Treasurer. Interest on the notes shall be paid when due by check or draft drawn upon and mailed by the note registrar and paying agent to the registered owner at the registered address, or by such other method as determined by the County Treasurer.

Note Registrar and Paying Agent

4. The County Treasurer shall designate, and may enter into an agreement with, a note registrar and paying agent for each series of notes that shall be the County Treasurer or a bank or trust company that is qualified to act in such capacity under the laws of the United States of America or the State of Michigan. The
County Treasurer may from time to time designate a similarly qualified successor note registrar and paying agent. Alternatively, the County Treasurer may serve as note registrar and paying agent if so designated by written order of the County Treasurer.

**Disposition of Note Proceeds**

5. The proceeds of the sale of the notes shall be deposited into a separate account in the Fund and shall be used to continue the Fund. The County Treasurer shall pay therefrom and from unpledged funds in the Fund, uncommitted funds in the County General Fund and/or any other legally available funds, the full amount of the delinquent tax roll against which the County has borrowed, delivered as uncollected by any tax collector in the County and that is outstanding and unpaid on or after March 1, 2019, in accordance with the provisions of Act 206. If the notes are sold at a premium, the County Treasurer shall determine what portion of the premium, if any, shall be deposited in the 2019 Collection Account established in Section 6 hereof.

**2019 Collection Account**

6. There is hereby established as part of the Fund an account (hereby designated the "2019 Collection Account") into which account the County Treasurer shall place delinquent taxes against which the County has borrowed, and interest thereon, collected on and after March 1, 2019, or such later date as determined by the County Treasurer, all County property tax administration fees on such delinquent taxes, after expenses of issuance of the notes have been paid, any premium as determined pursuant to Section 5 hereof, and any amounts received by the County Treasurer from the County, State of Michigan and any taxing unit within the County, because of the uncollectibility of such delinquent taxes. The foregoing are hereby established as funds pledged to note repayment. The County Treasurer shall designate the delinquent taxes against which the County shall borrow for each series of notes.

**Note Reserve Fund**

7. There is hereby authorized to be established by the County Treasurer a note reserve fund for the notes (the "2019 Note Reserve Fund") if the County Treasurer deems it to be reasonably required as a reserve and advisable in selling the notes at public or private sale. The County Treasurer is authorized to deposit in the 2019 Note Reserve Fund from proceeds of the sale of the notes, unpledged moneys in the Fund, uncommitted funds in the County General Fund and/or any other legally available funds, an amount not exceeding ten percent (10%) of the face amount of the notes.

**Security for Payment of Notes**

8. All of the moneys in the 2019 Collection Account and the 2019 Note Reserve Fund, if established, and all interest earned thereon, relating to a series of notes
are hereby pledged equally and ratably as to such series to the payment of the principal of and interest on the notes and shall be used solely for that purpose until such principal and interest have been paid in full. When moneys in the 2019 Note Reserve Fund, if established, are sufficient to pay the outstanding principal of the notes and the interest accrued thereon, such moneys may be used to retire the notes. If more than one series of notes is issued, the County Treasurer by order shall establish the priority of the funds pledged for payment of each such series. In such case the County Treasurer may establish sub-accounts in the various funds and accounts established pursuant to the terms of this resolution as may be necessary or appropriate.

**Additional Security**

9. Each series of notes, in addition, shall be a general obligation of the County, secured by its full faith and credit, which shall include the County's limited tax obligation, within applicable constitutional and statutory limits, and its general funds. The County budget shall provide that if the pledged delinquent taxes and any other pledged amounts are not collected in sufficient amounts to meet the payments of principal and interest due on each series of notes, the County, before paying any other budgeted amounts, will promptly advance from its general funds sufficient moneys to pay that principal and interest. The County shall not have the power to impose taxes for payment of the notes in excess of constitutional or statutory limitations. If moneys in the 2019 Collection Account and the 2019 Note Reserve Fund, if established, are not sufficient to pay the principal of and interest on the notes, when due, the County shall pay the same in accordance with this Section, and may thereafter reimburse itself from the delinquent taxes collected.

**Release of Pledge of 2019 Collection Account**

10. Upon the investment of moneys in the 2019 Collection Account in direct non-callable obligations of the United States of America in amounts and with maturities that are sufficient to pay in full the principal of and interest on the notes when due, any moneys in the 2019 Collection Account thereafter remaining may be released from such pledge created pursuant to Section 8 hereof and may be used to pay any or all delinquent real property taxes that are due the County, the State of Michigan and any school district, intermediate school district, community college district, city, township, special assessment district or other political unit to which delinquent tax payments are due for any year or for any other purpose permitted by law.

**Sale of Notes**

11. The County Treasurer is hereby authorized to offer the notes at public or private sale as determined by order of the County Treasurer and to do all things necessary to effectuate the sale, delivery, transfer and exchange of the notes in accordance with the provisions of this resolution. Notes of one series may be offered for sale and sold separately from notes of another series. If the notes are to be sold publicly, sealed proposals for the purchase of the notes shall be
received by the County Treasurer for such public sale to be held at such time as shall be determined by the County Treasurer and notice thereof shall be published in accordance with law once in *The Bond Buyer*, which is hereby designated as being a publication printed in the English language and circulated in this State that carries as a part of its regular service, notices of sale of municipal bonds. Such notice shall be in the form prescribed by the County Treasurer.

The County Treasurer is hereby authorized to cause the preparation of an official statement for the notes for the purpose of enabling compliance with SEC Rule 15c2-12 (the "Rule") and to do all other things necessary to enable compliance with the Rule. After the award of the notes, the County will provide copies of a final official statement (as defined in paragraph (e)(3) of the Rule) on a timely basis and in reasonable quantity as requested by the successful bidder or bidders to enable such successful bidder or bidders to comply with paragraphs (b)(3) and (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board. The County Treasurer is authorized to enter into such agreements as may be required to enable the successful bidder or bidders to comply with the Rule.

**Continuing Disclosure**

12. The County Treasurer is hereby authorized to execute and deliver in the name and on behalf of the County (i) a certificate of the County to comply with the requirements for a continuing disclosure undertaking of the County pursuant to paragraph (b)(5) or (d)(2) of the Rule, as applicable, and (ii) amendments to such certificate from time to time in accordance with the terms of such certificate (the certificate and any amendments thereto are collectively referred to herein as the "Continuing Disclosure Certificate"). The County hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate.

**Execution and Delivery of Notes**

13. The County Treasurer is hereby authorized and directed to execute the notes for the County by manual or facsimile signature and the County Treasurer shall cause the County seal or a facsimile thereof to be impressed or imprinted on the notes. Unless the County Treasurer shall specify otherwise in writing, fully registered notes shall be authenticated by the manual signature of the note registrar and paying agent. After the notes have been executed and authenticated, if applicable, for delivery to the original purchaser thereof, the County Treasurer shall deliver the notes to the purchaser or purchasers thereof upon receipt of the purchase price. Additional notes bearing the manual or facsimile signature of the County Treasurer and upon which the seal of the County or a facsimile thereof is impressed or imprinted may be delivered to the note registrar and paying agent for authentication, if applicable, and delivery in connection with the exchange or transfer of fully registered notes. The note registrar and paying agent shall indicate on each note that it authenticates the
date of its authentication. The notes shall be delivered with the approving legal opinion of Dickinson Wright PLLC.

Exchange and Transfer of Fully Registered Notes

14. Any fully registered note, upon surrender thereof to the note registrar and paying agent with a written instrument of transfer satisfactory to the note registrar and paying agent duly executed by the registered owner or his or her duly authorized attorney, at the option of the registered owner thereof, may be exchanged for notes of any other authorized denominations of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered note.

Each note shall be transferable only upon the books of the County, which shall be kept for that purpose by the note registrar and paying agent, upon surrender of such note together with a written instrument of transfer satisfactory to the note registrar and paying agent duly executed by the registered owner or his or her duly authorized attorney.

Upon the exchange or transfer of any note, the note registrar and paying agent on behalf of the County shall cancel the surrendered note and shall authenticate, if applicable, and deliver to the transferee a new note or notes of any authorized denomination of the same aggregate principal amount and maturity date and bearing the same rate of interest as the surrendered note. If, at the time the note registrar and paying agent authenticates, if applicable, and delivers a new note pursuant to this Section, payment of interest on the notes is in default, the note registrar and paying agent shall endorse upon the new note the following: "Payment of interest on this note is in default. The last date to which interest has been paid is [place date]."

The County and the note registrar and paying agent may deem and treat the person in whose name any note shall be registered upon the books of the County as the absolute owner of such note, whether such note shall be overdue or not, for the purpose of receiving payment of the principal of and interest on such note and for all other purposes, and all payments made to any such registered owner, or upon his or her order, in accordance with the provisions of Section 3 hereof shall be valid and effectual to satisfy and discharge the liability upon such note to the extent of the sum or sums so paid, and neither the County nor the note registrar and paying agent shall be affected by any notice to the contrary. The County agrees to indemnify and save the note registrar and paying agent harmless from and against any and all loss, cost, charge, expense, judgment or liability incurred by it, acting in good faith and without negligence hereunder, in so treating such registered owner.

For every exchange or transfer of notes, the County or the note registrar and paying agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

The note registrar and paying agent shall not be required to transfer or exchange notes or portions of notes that have been selected for redemption.
Book Entry System

15. At the option of the County Treasurer and notwithstanding any provisions of this resolution to the contrary, the County Treasurer is hereby authorized to enter into an agreement with a custodian or trustee for the purpose of establishing a "book entry" system for registration of notes to be fully registered. Pursuant to the provisions of such agreement, the notes may be registered in the name of the custodian or trustee for the benefit of other persons or entities. Such agreement shall provide for the keeping of accurate records and prompt transfer of funds by the custodian or trustee on behalf of such persons or entities. The agreement may provide for the issuance by the custodian or trustee of certificates evidencing beneficial ownership of the notes by such persons or entities. For the purpose of payment of the principal of and interest on the notes, the County may deem payment of such principal and interest, whether overdue or not, to the custodian or trustee as payment to the absolute owner of such note. Pursuant to provisions of such agreement, the book entry system for the notes may be used for registration of all or a portion of the notes and such system may be discontinued at any time by the County. The note registrar and paying agent for the notes may act as custodian or trustee for such purposes.

Issuance Expenses

16. Expenses incurred in connection with the issuance of the notes, including without limitation any premiums for any insurance obtained for the notes, note rating agency fees, travel and printing expenses, fees for agreements for lines of credit, letters of credit, commitments to purchase the notes, remarketing agreements, reimbursement agreements, purchase or sales agreements or commitments, or agreements to provide security to assure timely payment of the notes, fees for the setting of interest rates on the notes and bond counsel, financial advisor, paying agent and registrar fees, all of which are hereby authorized, shall be paid by the County Treasurer from County property tax administration fees on the delinquent taxes, from any other moneys in the Fund not pledged to the repayment of notes and general funds of the County that are hereby authorized to be expended for that purpose.

Replacement of Notes

17. Upon receipt by the County Treasurer of satisfactory evidence that any outstanding note has been mutilated, destroyed, lost or stolen, and of security or indemnity complying with applicable law and satisfactory to the County Treasurer, the County Treasurer may execute or authorize the imprinting of the County Treasurer's facsimile signature thereon and thereupon, and if applicable, a note registrar or paying agent shall authenticate and the County shall deliver a new note of like tenor as the note mutilated, destroyed, lost or stolen. Such new note shall be issued and delivered in exchange and substitution for, and upon surrender and cancellation of, the mutilated note or in lieu of and in substitution for the note so destroyed, lost or stolen in compliance with applicable law. For the
replacement of authenticated notes, the note registrar and paying agent shall, for
each new note authenticated and delivered as provided above, require the
payment of expenses, including counsel fees, which may be incurred by the note
registrar and paying agent and the County in the premises. Any note issued
under the provisions of this Section in lieu of any note alleged to be destroyed,
lost or stolen shall be on an equal basis with the note in substitution for which
such note was issued.

Chargebacks

18. For any principal payment date of the notes on or after January 1, 2022, the
delinquent taxes on property foreclosed and sold pursuant to the provisions of Act
206 and against which the County has borrowed shall, if necessary to ensure full
and timely payment of principal of and interest on the notes when due, be
charged back to the taxing jurisdictions in such manner as determined by the
County Treasurer. The proceeds of such chargebacks shall be deposited in the
2019 Collection Account as security for payment of the notes as described in
Section 8 hereof. The provisions of this Section shall not limit the authority of the
County Treasurer under the laws of the State of Michigan to charge back
delinquent taxes under other circumstances or at other times.

Purchase of Notes by County

19. All or any portion of the notes may be purchased or otherwise acquired by the
County if the County Treasurer by order deems such purchase or acquisition to
be in the best interest of the County. In such case, the County Treasurer is
authorized to take such actions to effectuate the purchase or acquisition,
including without limitation entering into an agreement to purchase or repurchase
the notes. The purchase or other acquisition of notes by or on behalf of the
County does not cancel, extinguish or otherwise affect the notes and the notes
shall be treated as outstanding notes for all purposes of this resolution until paid
in full.

Issuance of Refunding Notes

20. The County shall refund all or part of the notes authorized hereunder and/or notes
previously issued by the County to continue the Fund for prior tax years if and as
authorized by order of the County Treasurer through the issuance of refunding
notes (the "Refunding Notes") in an amount to be determined by order of the
County Treasurer. Proceeds of the Refunding Notes may be used to redeem
such notes and to pay issuance expenses of the Refunding Notes as authorized
and described in Section 16 hereof. The County Treasurer shall have all the
authority with respect to the Refunding Notes as is granted to the County
Treasurer with respect to the notes by the other Sections hereof, including the
authority to select a note registrar and paying agent, to apply to the Michigan
Department of Treasury for approval to issue the Refunding Notes, if necessary,
to cause the preparation of an official statement and to do all other things
necessary to sell, execute and deliver the Refunding Notes. The Refunding Notes
shall contain the provisions, shall be payable as to principal and interest and shall be secured as set forth herein and as further ordered by the County Treasurer. The Refunding Notes may be sold as a separate issue or may be combined in a single issue with other obligations of the County issued pursuant to the provisions of Act 206 as shall be determined by the County Treasurer. The County Treasurer is authorized to prescribe the form of Refunding Note and the form of notice of sale, if any, for the sale of Refunding Notes.

Form of Notes

21. The notes shall be in the form approved by the County Treasurer, which approval shall be evidenced by the County Treasurer’s execution thereof.

RESOLUTION UPHOLDING DENIAL OF FOIA REQUEST OF WAYNE VERMILYA

At a regular meeting of the Presque Isle County Board of Commissioners, said commissioners adopted a resolution denying the FOIA Request submitted by Wayne Vermilya. The Presque Isle County Board of Commissioners reviewed the original FOIA Request dated January 1, 2019 requesting pursuant to the Michigan Freedom of Information Act MCL 15.232, a disclosure of the 2017 tax return and/or any other documents indicating each member’s total household annual income and the sources of that income for 2017 of each County Commissioner for Presque Isle County. That matter was presented to the County Clerk who is the designated FOIA coordinator in Presque Isle County and a response to Mr. Vermilya’s request of January 1, 2019 was issued by Ann Marie Main, Presque Isle County Clerk on January 7, 2019 indicating that the request was denied for the reasons that the records were not public records.

MCL 12.232 defines a public record as a writing prepared, owned, used, in possession of, or retained by a public body in the performance of an official function from the time it is created. Public record does not include computer software.

MCL 15.243 also describes records that are exempt from disclosure and includes subsection (1)(a) information of a personal nature if the public disclosure would constitute a clearly unwarranted invasion of an individual’s privacy.

The Board of Commissioners has determined that the personal tax returns and related financial information of their households are not public records. First these documents are not a writing prepared, owned used, in possession or retained by the public body in the performance of any official function. Moreover, the Board of Commissioners believes this is an unwarranted invasion of privacy, for the above recited reasons, the decision of the Presque Isle County Clerk, Ann Marie Main, on January 7, 2019 is upheld and the FOIA request filed by Mr. Vermilya is denied under the Michigan Freedom of Information and the reasons stated herein.

Motion by Commissioner Chappa and seconded by Commissioner Darga to adopt the above resolution denying the appeal request.

Lee Gapczynski, Chair

Ann Marie Main, County Clerk
The Board of Commissioners for the County of Presque Isle met in the Commissioner’s room of the Courthouse in the City of Rogers City on Friday, March 29, 2019 immediately following the regular board meeting to conduct a work session regarding the Onaway Airport.

Chairman Gapczynski declared the work session open at 11:02 a.m.

Commissioners present: Lee Gapczynski, Michael Darga, Carl Altman, John Chappa and Nancy Shutes.

The Chair opened the floor for public comment. No one addressed the board.

The board discussed creating a mission statement for the county. Several samples were shared from other counties. After some discussion a statement was prepared and will be presented at the next regular board meeting for adoption.

The chair passed out a blank goal worksheet to all board members. He would like to see the forms returned to the clerk who will then put them in a list and present for discussion at future workshops. The worksheet is to include goals to work towards in the immediate future (upcoming budget year) and long term goals (5 or 10 year). Copies of the worksheets can also be distributed to department heads.

The session ended at 11:15 a.m.

RESOLUTION – RE: MEDICARE DRUG BILL OF 2003

WHEREAS, Health care costs continue to rise for all Americans and, for some Americans, this increase can be devastating; and

WHEREAS, Medicare is the focus of many lawmakers who portray it as an "entitlement" program that costs the Treasury too much money. Technically, the term "entitlement" is correct but it has an unfortunate connotation; and

WHEREAS, Medicare is an essential medical plan that millions of seniors and disabled individuals depend upon to stay alive. Medicare is not a gift, as the term "entitlement" suggests. Many of the beneficiaries have worked their entire adult lives and paid into the system in order to receive this crucial medical plan; and

WHEREAS, Due to spiraling costs largely associated with the price of prescription medications, our elected officials find themselves passing on increased costs to those who can least afford that increase, namely senior citizens and disabled individuals who are on Medicare’s Part D drug program; and

WHEREAS, When Congress enacted the Medicare Prescription Drug Bill they enacted a law that does not allow Medicare to negotiate with pharmaceutical companies for drug price the way Medicaid and the Veterans Administration does; and

WHEREAS, One economist, Dean Baker, estimates the Medicare could have saved approximately $332 billion dollars between 2006 and 2013 (approximately $50 billion a year) had the Department of Health and Human Services been permitted to negotiate prices for drugs with the drug companies, as federal agencies do in other programs; and

WHEREAS, Rising prescription drug costs have been the primary reason for the increase in health benefit costs; and

WHEREAS, The increasing cost of prescription drugs and the outrageous profits made by pharmaceutical companies is a systemic problem that significantly affects our state and our nation. It deserves non-partisan effort; and

WHEREAS, We must prevent our elected officials from balancing the budget on the backs of those who can least afford it, the elderly and disabled. Increases in premiums and drug costs are unacceptable ways to deal with the flawed Medicare Prescription Drug Bill; and
WHEREAS, We must preserve the Medicare program as it currently exists and to do so requires immediate action to cut unnecessary costs, particularly in the area of prescription drug coverage; and

WHEREAS, We must revise the Medicare Prescription Drug Bill of 2003 to allow negotiating lower drug prices and the importation of identical, cheaper, drugs from Canada and elsewhere; and

WHEREAS, We cannot allow the previously approved bill to stand as adopted at the risk of having the Medicare program be the cause of staggering increasing deficit which will require tax increases or cuts to the rest of the government, nor can we allow the continuance of price increases to our citizens causing many of them to contemplate discontinuing medically necessary drugs in order to pay their bills, heat their houses and have food on the table;

THEREFORE BE IT RESOLVED, That the Presque Isle County Board of Commissioners goes on record urging our Legislators to immediately commence the process of revising the Medicare Prescription Drug Bill of 2003 to allow negotiating lower drug prices and the importation of identical, cheaper drugs from Canada and elsewhere;

BE IT FURTHER RESOLVED, That a copy of this resolution be forwarded to our area Federal and State Legislators, the National Association of Counties, the Michigan Association of Counties and the other Michigan Counties.

Motion by Commissioner Darga and seconded by Commissioner Shutes to adopt the above resolution.

Ann Marie Main, County Clerk
The Board of Commissioners for the County of Presque Isle met in the Commissioner’s room of the Courthouse in the City of Rogers City on Thursday, September 12, 2019 at 5:00 p.m. to conduct a work session to discuss the county recycling program.

Chairman Gapczynski declared the work session open at 5:00 p.m.

Commissioners present: Lee Gapczynski, Michael Darga, Carl Altman, Nancy Shutes, and John Chappa.

The board discussed the current financial issues with the county recycling program. The current millage collects approximately $113,700. In years prior the program expenses ran on average around $97,000 per year to operate with 2/3’s the funding from millage and the 1/3 from the General Fund. The increase millage would have more than covered the program as it was, however the commodities market has gone down and the county is no longer receiving healthy revenue sharing as it did in the past. The market drop has been going on since spring of 2018 therefore any additional revenue collected in the increase millage is now not enough to sustain the program. Funds from the general fund had to be transferred to the program to cover the losses at the end of the fiscal year.

In attendance of the meeting was Andi Shepard from Emmet County DPW. Andi is the new director of the program and gave the board some insight as to where things are at in the commodities market. In the last contract signed last fall, entities have entered into a three tiered program for revenue sharing, however the lowest tier is $50.00 per ton and the market is currently at $48.00 per ton. Additionally she informed the board of upcoming grant opportunities that wouldn’t help with the funding issue but could help with education materials and distribution of those materials to help alleviate some of the garbage dumping going on at the sites, especially the Rogers City site.

Chris Gee and Hannah Palmer from GFL (Green for Living) formally Republic Waste, were present. They have stripped down the contract and pickup arrangements as far as they can, right now they are just covering costs of the trucks and drivers. There were attempts in the past to go to an every other week pickup and it resulted in people dumping their recycling on the grounds and causing messes around the sites. Additionally the county clerk’s office was fielding numerous complaint calls and the program was reinstated with the every week pickup. Options of less operating sites would not appear to be of benefit as it would still take the truck the same miles to reach the farthest outlying areas/

Chris did offer credit of $1100.00 per month towards to program with revenues from the Elk Run Landfill as they do not want to see the hard work put into the program go to waste. This would be for the remaining 18 months of the contract.

Both Chris and Andi did report to rumors of contaminated recycling going to the landfill and neither are aware of any loads being rejected by Emmet County in a number of years.
The county will continue to monitor the matter and follow up as needed.

Motion by Commissioner Darga and seconded by Commissioner Altman to adjourn the workshop meeting.

The session ended at 5:43 p.m.

RESOLUTIONS
Resolution 2019-17
SUPPORTING US HOUSE OF REPRESENTATIVES BILL 530

WHEREAS, the implementation of fifth generation (5G) mobile technology requires thousands of small cell wireless facilities to be installed within municipal units across the nation; and

WHEREAS, on August 2, 2018 and September 26, 2018, the Federal Communications Commission (FCC) adopted orders that would limit the annual fees municipal units are permitted to set for use of public right-of-ways; and

WHEREAS, the FCC’s actions restricts communities ability to manage its right-of-ways; and

WHEREAS, H.R. 530, the Accelerating Wireless Broadband Development by Empowering Local Communities Act of 2019, was introduced in the House of Representatives and would cause the FCC adopted orders to have no force or effect; and

NOW, THEREFORE BE IT RESOLVED that the Presque Isle County Board of Commissioners does hereby Support H.R. 530, the Accelerating Wireless Broadband Development Empowering Local Communities Act of 2019, which would cause the Federal Communications Commission’s actions taken on August 2, 2018 and September 26, 2018 restricting municipal control over permits for wireless facilities to have no force or effect.

BE IT FURTHER RESOLVED that this resolution will be forwarded to President Donald J. Trump, U.S. Senator Gary Peters, U.S. Senator Debbie Stabenow, Congressmen Jack Bergman, State Representative Sue Allor, State Representative Lee Chatfield, State Senator Wayne Schmidt and Governor Gretchen Whitmer.

Motion by Commissioner Darga and seconded by Commissioner Shutes to adopt the above resolution and authorize the Chair to sign.

Ayes: Gapczynski, Darga, Altman, Chappa, Shutes

Motion carried by roll call vote

Resolution 19-18
PRESQUE ISLE COUNTY RESOLUTION IN SUPPORT OF LINE 5 TUNNEL

WHEREAS, Enbridge’s Line 5 has been operating safely and reliably in Straits of Mackinac for more than 66 years; and

WHEREAS, Enbridge’s Line 5, a light crude and natural gas liquids pipeline, helps to safely meet Michigan’s energy needs by fulfilling more than half of the propane needs of the state; and

WHEREAS, the products delivered to regional refineries provide jobs and ultimately fuel our lives; and
WHEREAS, multiple and extensive inspections and safety tests over the last several years have confirmed the integrity of Line 5 at the Straits of Mackinac as fit for service.

WHEREAS, Consequences to energy supply, local producers, regional airports and refineries, jobs, local economies and the pocketbook of Michiganders across the entire state are too great for Line 5 to be shut down before the tunnel replacement can be completed.

WHEREAS, Issues have been raised by several concerned parties regarding the possibility and impact of a breach of Line 5 into the Straits of Mackinac. These concerns have resulted in the State of Michigan and Enbridge negotiating an “agreement” for a 5 year $500 million project, to construct a tunnel 100 feet below bedrock to encase Line 5, the entire length of the Straits, in one-foot-thick concrete walls in order to mitigate chances of any leaks of product into the Great Lakes.

WHEREAS, the recently elected Michigan Attorney General, Dana Nessel has subsequently opposed the negotiated “agreement” and filed a law-suit in Ingham County Circuit Court to close down Line 5 immediately effectively canceling all efforts to begin construction of the tunnel; and

WHEREAS, this action may very well provide unintended consequents for all parties as the litigation to close down Line 5 may take years to be resolved in the courts with no assurance of the outcome and;

WHEREAS, the time to resolve the litigation may simply result in the delay of the start of the construction of the tunnel thereby leaving the existing Line 5 in place unnecessarily for several additional years.

WHEREAS, Enbridge has demonstrated a willingness to work with the state to both protect the Great Lakes and ensure the continued safe delivery of energy we all rely on.

NOW, THEREFORE, BE IT RESOLVED that the Presque Isle County Board of Commissioners hereby joins with other Michigan Counties in extending its support for Enbridge’s proposed tunnel replacement project and urges the State of Michigan to work with Enbridge to complete the tunnel project as quickly as possible and not disrupt Line 5 service before the tunnel can be completed.

AND, BE IT FURTHER RESOLVED that Presque Isle County sends this resolution to all counties of Michigan as an invitation to join in expressing support for increasing the safety of our current energy infrastructure as our society simultaneously seeks energy efficiencies and energy alternatives that will continue to reduce negative impacts and risks to our environment.

Motion by Commissioner Darga and seconded by Commissioner Shutes to adopt the above resolution and authorize the Chair to sign.
